Discover your advantages of compression!

These saller compression tubes have been specially developed for everyone who wants to wear their usual socks while doing sports and still does not want to do without the advantages of compression. The missing foot section offers this flexibility!

With the saller compression tubes, too, all the advantages of compression come into play:

- Improved blood flow to the calf muscles
- Increased oxygen supply
- Faster lactate breakdown
- Significantly more performance
- Reduced regeneration time

In addition, these tubes stabilize ligaments and joints and thus reduce the risk of injury. Anatomical fit ensures a wrinkle-free fit, breathable material ensures optimal comfort.

Short »sallerCeltic 2.0«

The saller short offers you functional properties and optimal freedom of movement for your performance on the pitch. Our breathable and hard-wearing S.SKIN material transports sweat away from the skin and keeps you comfortably dry. The pants have a loose, typical football cut and a wide, elastic waistband with drawstring for an optimal fit. So you can fully concentrate on training and play. The sporty hexade design on the sides and first-class comfort round off these shorts.
