Discover your advantages of compression!

These saller compression tubes have been specially developed for everyone who wants to wear their usual socks while doing sports and still does not want to do without the advantages of compression. The missing foot section offers this flexibility!
With the saller compression tubes, too, all the advantages of compression come into play:

- Improved blood flow to the calf muscles
- Increased oxygen supply
- Faster lactate breakdown
- Significantly more performance
- Reduced regeneration time

In addition, these tubes stabilize ligaments and joints and thus reduce the risk of injury. Anatomical fit ensures a wrinkle-free fit, breathable material ensures optimal comfort.

Make your team unique

with an individual jersey set from Saller!

We will make your dream jersey for you - whether it is a round neck or V-collar, long or short sleeve, women's or men's cut and much more!

All common prints such as coat of arms, club name, player name, numbers and sponsor logos on the sleeves and chest are sublimated directly into the fabric - that saves money !

The delivery time is approx. 4 weeks after receipt of payment and design approval.

Minimum quantity: 20 sets

Sample design

This is how it works:

1. *You send us an email with all your wishes and informations (maybe also sample pictures) for your dream jersey!*
2. *We create the design according to your ideas.*
3. *Approve design & order (confirmation email with design for approval comes after approx. 3 to 4 working days)*
4. *Pay advance invoice (after receipt of payment, the order is in production & can no longer be changed)*

Please note that custom-made products can't be exchanged / returned!

Suitable Soccer Socks with and without Strap you find on page 150-152.
